Love in the Age of Loneliness

Opening & Performance: Thursday, 26. 09., 7 pm
Finissage: Sunday 06. 10., 5 pm
27.09.–06.10.2024

Johanna Lettmayer opens the new project series "this side of the room" in the Blickle Raum Spiegelgasse.
A desperate protagonist tries to get a grip on their desires and engages in a heavy workout in front of the audience. What is a meaningful relationship and why is it so hard? Shouldn't we save the world instead? What is love made of? And could matchmaking actually be an option? Sociology might help, physical alterations ditto. In an installation created with **Peter Sandbichler**, **Johanna Lettmayer** and **Laila Zarina** realize a performance that turns Blicke Raum into a vessel for the academic, the anecdotal and the absurd.
